In-House Events & Caterings

You may offer Chef Todd's ice cream as a specialty dessert. Ice cream cart requires a minimum of 20 people and can serve an unlimited number of guests.

Ice Cream Cart set up and server fee is \$75.

Below are the questions we need answered:

- What flavors would you like? We recommend 4, with a maximum of 6.
- Do you want a custom flavor? \$100 additional charge for Chef Todd to create the recipe.
- Do you want the ice cream cart available for your entire event or select time only? If so, when?

Here are your options for ice cream:
